HUF HAUS

Plots for Sale with Planning Permission

THE PLOTS ARE FOR SALE INDIVIDUALLY OR AS A DEVELOPMENT SITE.

Each of the approximately 1/3 acre plots are for sale individually or combined as a development opportunity.

Full planning details can be found on www.runnymede.gov.uk (go to Planning, application number RU08/0690)

Virginia Water

CLOSE TO WENTWORTH GOLF COURSE

“Morningside” is a unique development of three stunning plots in a secluded sylvan setting with many mature trees.

The plots, in prime residential land in Virginia Water, enjoy a high degree of privacy and are very close to the world famous Wentworth golf course.

The proposed HUF houses offer between 2,500 and 4,000 square feet of highly adaptable accommodation and are designed to combine contemporary 21st century design with state-of-the-art technology and craftsmanship.

The award winning housebuilder HUF HAUS will be able to customise each permitted design according to your needs and requirements (S.T.P.), incorporating all your ideas from ‘green technology’ to bespoke floorings, fittings, kitchen etc.
